

Michael C. Witt

Interdisciplinary Research Librarian
Assistant Professor of Library Science
Distributed Data Curation Center (D2C2)
Purdue University Libraries

504 W. State Street
West Lafayette, IN 47907
Phone: (765) 494-8703
E-mail: mwitt@purdue.edu

Education

August 2006 Master of Library Science (MLS)
School of Library and Information Science
Indiana University—Indianapolis
May 1996 Bachelor of Arts (BA)
College of Business Administration
Bowling Green State University, Ohio

Professional Experience

Assistant Professor of Library Science, Interdisciplinary Research Librarian—Purdue University Libraries, West Lafayette, Indiana. January 2007—present.

Senior Research Systems Administrator, Research—Purdue University Libraries, West Lafayette, Indiana. November 2005—December 2006.

Lead Systems Administrator, Information Technology Department—Purdue University Libraries, West Lafayette, Indiana. October 2000—October 2005.

Integrated Systems Manager, Management Information Systems—Schilli Transportation Services, Inc., Remington, Indiana. August 1996—October 2000.

Selected Papers and Presentations

1. Witt, M. (2010). **Object Reuse and Exchange** [forthcoming technical report]. ALA Techsource, *Library Technology Reports*, 46(2).
2. Riehle, C.F. & Witt, M. (2009). **Librarians in the Hall: Instructional Outreach in Campus Residences** [forthcoming article] *College & Undergraduate Libraries*, 16(2-3).
3. Witt, M. (2009). **Electronic Dissertation Mashups Using SRU**. [forthcoming book chapter] *Library Mashups: Exploring New Ways to Deliver Library Data*. Ed. by Nicole C. Engard. New York: Information Today, Inc.
4. Witt, M. (2009, May 18). **Eliciting Faculty Requirements for Research Data Repositories** [plenary presentation]. 4th International Conference on Open Repositories. Georgia Tech, Atlanta, Georgia.
5. Witt, M. (2009). **Institutional Repositories and Research Data Curation in a Distributed Environment** [article]. *Library Trends*, 57(2).
6. Brandt, D.S., Carlson, J., Cragin, M., Heidorn, B., Shreeves, S., Palmer, C., & Witt, M. (2008, December 2). **Investigating Data Curation Profiles Across Multiple Research Disciplines** [poster]. 4th International Digital Curation Conference, Edinburgh, Scotland.
7. Bracke, M.S., Fouke, B., Joseph, L., Wander, M., Wilson, S. & Witt, M. (2008, June 3). **Librarians and Scientists Working Together for Data Curation** [invited panel]. Summer Institute on Data Curation, Graduate School of Library and Information Science, University of Illinois at Urbana-Champaign.

8. Bracke, MS., Brouder, S., & Witt, M. (2008, May 12). **Purdue Scientist/Librarian Collaborations** [invited panel]. Librarians & e-Science: Focusing Towards 20/20, Committee on Institutional Cooperation, Purdue University, West Lafayette, Indiana.
9. Bracke, MS. & Witt, M. (2008, April 29). **Partnering with Agronomy Faculty to Create a Framework for Data Sharing** [poster]. United States Agricultural Information Network (USAIN) annual conference, Wooster, Ohio.
10. Witt, M. & Choudhury, GS. (2008, February 25). **Coping with the Data Deluge** [invited panel]. The Chronicle of Higher Education Technology Forum, Tampa, Florida.
11. Witt, M. & Carlson, J. (2007, December 13). **Conducting a Data Interview** [poster]. 3rd International Digital Curation Conference, Washington D.C.
12. Witt, M., Razum, M., Boulderstone, R., & Schaeffer, J. (2007, November 16). **eResearch Archiving** [invited panel]. Preservation and Archiving Special Interest Group, Paris, France.
13. Witt, M. & Choudhury, GS. (2007, October 25). **A Role for Librarians in Curating Scientific Data** [presentation]. EDUCAUSE 2007, Seattle, Washington.
14. Bracke, MS. & Witt, M. (2007, June 25). **A Watershed Moment: Preserving & Improving Access to Water Quality Data** [poster]. ACRL Science and Technology Section program reception, ALA Annual Conference. Washington, D.C.
15. Witt, M. (2007, June 2). **Creating and Managing Institutional Data Repositories** [workshop]. Special Libraries Association 2007. Denver, Colorado.
16. Witt, M. (2007). **Providing an OAI-PMH Interface to the Storage Resource Broker with OAISRB** [article]. *International Journal on Digital Libraries*, 7(1).
17. Brandt, DS., Mullins, J., & Witt, M. (2006). **Enabling Interaction and Quality in a Distributed Data DRIS** [book chapter]. *Enabling Interaction and Quality: Beyond the Hanseatic League, 8th International Conference on Current Research Information Systems* (pp. 55-62). The Netherlands: Leuven University Press.
18. Brandt, DS. & Witt, M. (2005, December 5). **Research Data and the Distributed Institutional Repository** [presentation]. Fall 2005 Coalition for Networked Information (CNI) Task Force Meeting. Phoenix, Arizona.

Selected Sponsored Research

1. **Indiana Directory of University Expertise (INDURE)** sponsored by the Indiana Economic Development Corporation. (2008).
2. **Investigate and Implement Persistence for HUB Resources** sponsored by the Network for Computational Nanotechnology, National Science Foundation. (2008).
3. **Investigating Data Curation Profiles Across Multiple Research Domains** sponsored by the Institute of Museum and Library Services. (2007).
4. **Seed Grant for the Ingest, Preservation, and Access for Water Quality Datasets in an Institutional Repository** sponsored by The Center for the Environment at Discovery Park, Purdue University. (2007).
5. **Development of an OAI-PMH Interface for nanoHUB.org** sponsored by the Network for Computational Nanotechnology, National Science Foundation. (2007).

Awards and Certifications

Emerging Leader, American Library Association (2008).
 Frederick L. Hovde Outstanding Faculty Fellow, Purdue University (2008).
 Sun Certified Systems Administrator (2003).
 Endeavor Information Systems Voyager 300, 400, 500 Level Certifications (2002-2004).
 IBM AIX 4.3 Certified System Specialist (2001).
 Microsoft Certified Systems Engineer (2000).
